**C. ALL VOLUNTEERS:** Please list your top three committee preferences (with #1 being your first choice - this includes return volunteers who want to work on the same committee again). Use the Committee Description Sheet for reference. Please note that yearly revisions of the event's operating plan may affect the number of volunteers needed for some committees, so we may not be able to accommodate all first choices. For this reason, it is important that you list your top three committee preferences here:

**SCHEDULE:** Please note, all volunteers are required to work at least three shifts, and priority will be given to volunteers who are able to work more than three shifts. Shifts vary in length depending on your committee, but are typically split into morning and afternoon shifts that last 6 hours each. Please circle below the days/shifts you would like to volunteer. Your chairman will contact you in June or July to confirm your schedule. Please note we cannot guarantee you will receive your preferred shift.

**\*MARSHALS ONLY:** Please note that this year we are NOT requiring Marshals to work full days. Your shifts will be measured in half days (typically six-to-eight hours) Tuesday - Friday. You may sign up for a morning and afternoon shift on the same day if you would like, but you do not have to do so. On Saturday and Sunday, when there is a one-tee start, there will only be one shift available, to the end of play on your hole. If you would like to work Saturday or Sunday, please just circle the "AM" shift and your hole captain will be in touch with you in regards to your exact work hours.

**\*\*Please note:** Certain committees (such as Transportation, Office Administration and Uniform Distribution) require volunteers to work the week prior to the tournament. If you sign up for one of these committees, your committee chair will be in contact with you in regards to scheduling.

**IMPORTANT NOTICE:** All volunteer badges and guest badges will be bar coded this year. This means that if a volunteer does not show up for their assigned shift without prior notice to their Committee Chairman or Hole Captain, their badge and guest badge will be deactivated and they will not be allowed entry to the tournament.
